TOMATO, TOMA(AAH)TO **THURSDAY, APRIL 6, 6:30-8 PM**

Charles Murphy, Durham County Extension master gardener

Free!

Whatever your pronunciation, tomatoes are the number one planting choice for home vegetable gardeners. Learn more about the care and feeding of these popular fruits. Charles will review some of the many choices available, including heirloom vs. hybrids, and some good references for gardening in general and tomatoes in particular.

Pre-registration required.

BUY HEALTHY PLANTS AND PLANT THEM WELL **THURSDAY, APRIL 27, 6:30-8 PM**

Chris Apple, Durham County Extension master gardener

Free!

Healthy plants stand a better chance of thriving in your garden. This presentation will review what you should look for when purchasing and planting plants. Chris will discuss plant sources, how to evaluate a plant, how to correctly plant a tree, shrub, groundcover or perennial and then what is necessary to establish a plant.

GARDENING IN DURHAM FOR BEGINNERS AND TRANSPLANTS: EVERYTHING YOU NEED TO SUCCEED **THURSDAY, MAY 11, 6:30-8 PM**
