

welcome to DUKE GARDENS

Heat Advisory! Keep in mind before you arrive:

- Wear light-colored and loose-fitting clothing made with a natural fiber to help you stay cool.
- Wear a hat at all times to protect your skin from the sun. A parasol is also a good idea if you don't like wearing hats.
- Bring a water bottle with you to the Gardens and refill it at one of our water fountains.
- Once here, orient yourself to shady spots. The Blomquist Garden of Native Plants and the Culberson Asiatic Arboretum are two of the shadiest spots in the Gardens.
- Emergency phones are located throughout the Gardens for your use if necessary.

Sarah P. Duke Gardens creates and nurtures an environment in the heart of Duke University for learning, inspiration and enjoyment through excellence in horticulture.
