

# OBSERVATION BINGO

**Make new discoveries as you observe your way through the Gardens!**

- ✿ Choose one row of activities or do them all.
- ✿ Try the same activities in different areas.
- ✿ Come back another day and notice how your observations change.

**Spend 3 minutes sitting near a plant. Write or draw some of your observations.**

**Find a plant that starts with any letter in your name.**

**Find something interesting to observe. Imagine you are looking through a microscope. Make a drawing of what you might see.**

**Draw a plant. Label all of the parts you know by name.**

**Listen to a bird call. Can you find the bird with your eyes?**

**How many different things can you find that are made out of wood?**

**Invent an animal that lives in water and find a place in the garden where your animal could live.**

**Find something that is both smooth and rough.**

**Count how many different path materials you walk on.**
