

2023 Fall Plant Sale List for Members

Scientific Name	Common Name	Description	Light	Type	Subtype	Size	Number Availat
<i>Acanthus mollis</i>	bear's breeches		Shade	Perennial		1 Gallon	6
<i>Aralia cordata</i> 'Sun King'	Japanese spikenard	Almost shrub-like deciduous perennial that grows to 4-6' high and wide. 'Sun King' has striking chartreuse-yellow leaves and 2' tall spikes of white flowers mid summer. Deserving of a special or prominent place in the garden. Plant in part sun to shady spaces in the garden. Zones 4-8.	Shade	Perennial		1 Gallon	6
<i>Asarum splendens</i> 'Quicksilver'	Chinese wild ginger		Shade	Perennial		Quart	12
<i>Aspidistra</i> 'Apollo'	cast iron plant	Upright clump of evergreen, white striped leaves. Evergreen perennial grows 24-30" tall and wide. Zones 7-9.	Shade	Perennial		1 Gallon	12
<i>Aspidistra</i> <i>ebianensis</i>	cast iron plant	Species with large wide leaves 12-18" long. Forms upright clump in light to full shade. Also great in containers. Zones 7-9.	Shade	Perennial		1 Gallon	12
<i>Aspidistra</i> <i>elatior</i> 'Hercules'	cast iron plant	Large leaves with irregular striped white variegation. Upright leaves form a nice clump 30 inches tall. Evergreen perennial. Zones 7-11.	Shade	Perennial		1 Gallon	12
<i>Aspidistra</i> <i>sichuanensis</i> 'Spek-tacular'	cast iron plant	Attractive clump of 36-inch long upright leaves with yellow speckles. Evergreen perennial from China. Zones 7-10.	Shade	Perennial	Native	1 Gallon	12
<i>Aster</i> <i>divaricatus</i>	white wood aster		Shade	Perennial	Native	Quart	12
<i>Athyrium</i> <i>filix-femina</i> var. <i>angustum</i> 'Lady in Red'	Lady In Red Fern		Shade	Perennial	Fern	Quart	12
<i>Athyrium</i> 'Ghost'	Ghost Lady Fern		Shade	Perennial	Fern	Quart	12
<i>Athyrium</i> <i>niponicum</i> 'Pictum'	Japanese painted fern		Shade	Perennial	Fern	Quart	12
<i>Athyrium</i> <i>niponicum</i> 'Regal Red'	Red Japanese Painted Fern		Shade	Perennial	Fern	Quart	12
<i>Athyrium</i> <i>niponicum</i> 'Silver Falls'	Japanese painted fern		Shade	Perennial	Fern	Quart	12
<i>Bletilla striata</i>	ground orchid	Rose-lavender orchid flowers on this shade perennial. Great for woodland plantings.	Shade	Perennial		1 Gallon	16
<i>Carex</i> <i>morrowii</i> 'Ice Dance'	Morrow Sedge	A spreading evergreen variegated sedge. 12-15" high grass-like leaves are green with a light yellow stripe running along the leaf edge. Tolerates average-to-dry conditions and grows best in light shade.	Shade	Perennial		Quart	18
<i>Chrysogonum</i> <i>virginianum</i> 'Allen Bush'	green and gold		Shade	Perennial	Native	Quart	15
<i>Cyrtomium</i> <i>falcatum</i>	Japanese holly fern		Shade	Perennial	Fern	Quart	12
<i>Cyrtomium</i> <i>fortunei</i>	Fortune's Holly Fern		Shade	Perennial	Fern	Quart	12
<i>Dryopteris</i> <i>erythrosora</i> 'Brilliance'	Brilliance Autumn Fern		Shade	Perennial	Fern	Quart	32
<i>Dryopteris</i> <i>ludoviciana</i>	southern shield fern		Shade	Perennial	Native, fern	Quart	24
<i>Dryopteris</i> <i>ludoviciana</i>	Southern Wood Fern		Shade	Perennial	Fern, Native	Quart	12
<i>Helleborus</i> HGC Champion	hellebore		Shade	Perennial		1 Gallon	6
<i>Helleborus</i> HGC Merlin	hellebore		Shade	Perennial		1 Gallon	6
<i>Helleborus</i> 'Pink Frost'	hellebore		Shade	Perennial		1 Gallon	16
<i>Heuchera</i> 'Autumn Bride'	coral bells		Shade	Perennial	Native	Quart	12
<i>Heuchera</i> 'Carnival Watermelon'	coral bells		Shade	Perennial	Native	Quart	12
<i>Heuchera</i> 'Citronelle'	coral bells		Shade	Perennial	Native	Quart	12
<i>Heuchera</i> 'Midnight Rose'	coral bells		Shade	Perennial	Native	Quart	12
<i>Heuchera</i> 'Plum Pudding'	coral bells		Shade	Perennial	Native	Quart	12
<i>Hosta</i> 'Blue Angel'	hosta		Shade	Perennial		Quart	12
<i>Hosta</i> 'Curly Fries'	hosta		Shade	Perennial		Quart	10
<i>Hosta</i> 'Fragrant Bouquet'	hosta		Shade	Perennial		1 Gallon	6
<i>Hosta</i> 'Fried Bananas'	hosta		Shade	Perennial		1 Gallon	6
<i>Hosta</i> 'Fried Green Tomatoes'	hosta		Shade	Perennial		1 Gallon	18
<i>Hosta</i> 'Great Expectations'	hosta		Shade	Perennial		1 Gallon	12
<i>Hosta</i> 'Halcyon'	hosta		Shade	Perennial		Quart	12
<i>Hosta</i> 'Loyalist'	hosta		Shade	Perennial		Quart	12
<i>Hosta</i> 'Night Before Christmas'	hosta		Shade	Perennial		1 Gallon	6
<i>Hosta</i> 'So Sweet'	hosta		Shade	Perennial		1 Gallon	6
<i>Hosta</i> 'Stained Glass'	hosta		Shade	Perennial		Quart	12

Scientific Name	Common Name	Description	Light	Type	Subtype	Size	Number Availat
Hosta 'Sum and Substance'	hosta	Huge hosta growing 3 feet tall and 5 to 6 feet wide! Foliage is golden when planted in part sun; a great contrast in the shade garden. Zones 3-9.	Shade	Perennial		1 Gallon	12
Hosta 'Sum and Substance'	hosta	Huge hosta growing 30" tall and 60" wide! Foliage is golden when planted in part sun; a great contrast in the shade garden. Zones 3-9.	Shade	Perennial		Quart	12
Hosta 'Tiny Tears'	miniature hosta		Shade	Perennial		Quart	12
Hosta 'White Feather'	hosta	Unusual leaves emerge white and age to greenish white. 18-36" tall; lavender flowers; clumping; Zones3-9.	Shade	Perennial		1 Gallon	8
Hosta 'Wide Brim'	Hosta	Mounded dark green leaves with wide irregular margins of buttery yellow reaching 24-40" wide are topped with 24" scapes of attractive buds opening to pale lavender in midsummer. Shade. Zones 3-9.	Shade	Perennial		Quart	12
Iris tectorum	roof iris	Fantastic spreading perennial iris grows 12 to 16 inches high in partial shade. Masses of blue-violet flowers in early spring. Zones 5 to 9.	Shade	Perennial		Quart	40
Liriope 'Pee Dee Ingot'	golden lilyturf	18x30" clumps of brilliant golden foliage; stays golden in part sun. Lavender flowers in late summer.	Shade	Perennial		1 Gallon	8
Matteuccia struthiopteris	Ostrich Fern		Shade	Perennial	Fern, Native	1 Gallon	12
Onoclea sensibilis	sensitive fern	A great spreading native fern with light green foliage fronds growing 2 to 3' high and spreading. Sensitive fern thrives in wet soils, pond edges and other waterlogged soils. Grow in sun to shade. Deer resistant. Zones 4-8.	Shade	Perennial	Native, fern	Quart	12
Ophiopogon japonicus 'Nigrescens'	black mondo grass		Shade	Perennial		1 Gallon	12
Osmunda regalis	royal fern		Shade	Perennial	Fern	Quart	24
Phegopteris decursive-pinnata	Japanese Beech Fern	Deciduous fern growing 1-2' tall and wide forms a clump of narrow, upright light green fronds that brighten up the shade garden adding a lacey texture. Medium to wet moisture needs. Zones 4-9.	Shade	Perennial	Fern	Quart	24
Phlox divaricata var. laphamii 'Blue Buttons'	woodland phlox		Shade	Perennial	Native	Quart	12
Polemonium 'Stairway to Heaven'	Jacob's ladder		Shade	Perennial		1 Gallon	6
Polystichum acrostichoides	Christmas Fern		Shade	Perennial	Fern, Native	Quart	36
Polystichum tsus-simense	Korean Rock Fern		Shade	Perennial	Fern	Quart	12
Rohdea japonica	rohdea		Shade	Perennial		1 Gallon	12
Spigelia marilandica 'Little Redhead'	woodland pinkroot	One of our favorite native perennials, woodland pinkroot has stunning red and yellow tubular flowers in late spring. 'Little Redhead' is a selection with upright stems and lots of flowers. Grows 24 to 28 inches tall. Plant in well drained soil in part shade. Zone 5-9.	Shade	Perennial	Native	1 Gallon	12
Aucuba 'Gold Dust'	Japanese aucuba	A dense, evergreen shrub with golden yellow flecking dominating the large textured leaves. Growing 4-6' tall and wide, this shrub makes a great specimen or hedge in a shaded area, or as a container plant on a covered porch. Tolerates dry conditions. Zones 7-10	Shade	Shrub		3 gallon	10
Calycanthus floridus	Carolina Allspice	Colonizing deciduous native shrub that grows 5-6' high and wide. During late spring fragrant, deep red, star-like flowers emerge. During fall, the foliage turns a brilliant deep yellow. Tolerates moist soils, woodlands and grows in partial sun to light shade. Zones 4-9.	Shade	Shrub	Native	1 Gallon	12
Camellia 'Winter's Snowman'	hybrid camellia	White anemone type small flowers. Blooms fall to winter.	Shade	Shrub		7 gallon	4
Camellia 'Yoimachi'	hybrid camellia	White petals with pink tinge at tips. Single small flowers. Evergreen shrub that blooms early fall.	Shade	Shrub		1 Gallon	6
Camellia 'Yume'	hybrid camellia	Pink single flowers. Hybrid japonica x sasanqua, blooms November to February. Evergreen shrub.	Shade	Shrub		1 Gallon	10
Camellia japonica 'Christmas Beauty'	Japanese camellia	Bright rose red small semi double large flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Flame'	Japanese camellia	Deep red, semi double medium flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Grape Soda'	Japanese camellia	Lavender red single small to medium flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Korean Fire'	Japanese camellia	Cherry red, single small flowers. Very cold tolerant. Blooms early spring.	Shade	Shrub		3 gallon	4

2023 Fall Plant Sale List for Members

Scientific Name	Common Name	Description	Light	Type	Subtype	Size	Number Availat
Camellia japonica 'La Peppermint'	Japanese camellia	White and red striped formal double flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Lady Clare'	Japanese camellia	Pink semi double very large flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Lemon Glow'	Japanese camellia	Yellow, formal double small to medium flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	10
Camellia japonica 'Look Again'	Japanese camellia	Light pink, large anemone flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Magnoliaflora'	Japanese camellia	Soft pink semi double medium flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Morning Glow'	Japanese camellia	White formal flowers, medium size. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Nuccio's Cameo'	Japanese camellia	Pink formal large flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		7 gallon	3
Camellia japonica 'Professor Sargent'	Japanese camellia	Red anemone type large flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Sandra Williams'	Japanese camellia	Dark pink petals with red variegation, peony type flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Sea Foam'	Japanese camellia	White, formal double flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Tama Bambino'	Japanese camellia	Rose pink peony type flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Tama Bell'	Japanese camellia	White petals with red spot at base base. Single bell shaped flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Tama Electra'	Japanese camellia	Dark red, single medium sized flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Tama VIno'	Japanese camellia	Wine red, peony type medium sized flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Tama-No-Ura'	Japanese camellia	Red petals with white rim. Single small to medium size flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Thompsonii'	Japanese camellia	White petals with pink stripe. Semi double medium flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Tri-color'	Japanese camellia	Red with white stripe, semi double medium flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'Turandot'	Japanese camellia	Red peony type flowers. Medium to large size. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia japonica 'White Empress'	Japanese camellia	White semi double large flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia 'Kicho'	Japanese hybrid camellia	Yellow single medium flowers. Evergreen shrub that blooms in fall to early winter.	Shade	Shrub		1 Gallon	10
Camellia 'October Affair'	Japanese hybrid camellia	Light pink formal double flowers. Very early flowering japonica hybrid begins flowering in October to January.	Shade	Shrub		3 gallon	5
Camellia 'Red Fellow'	hybrid camellia	Bright red semi double flowers. Evergreen shrub flowers in spring.	Shade	Shrub		1 Gallon	5
Camellia sasanqua 'Otome'	Sasanqua camellia	Pink formal double small flowers. Evergreen shrub that blooms in mid fall.	Shade	Shrub		3 gallon	3
Camellia sasanqua 'Ruby Red'	Sasanqua camellia	Red single flowers. Evergreen shrub that blooms in fall.	Shade	Shrub		3 gallon	5
Camellia sasanqua 'Shikoku Stars'	Sasanqua camellia	White single flowers. Evergreen shrubs blooms early fall to winter.	Shade	Shrub		1 Gallon	5
Camellia sasanqua 'Cotton Candy'	Sasanqua camellia	Pink, loose peony type flowers. One of the first fall flowering camellias to bloom. Evergreen shrub.	Shade	Shrub		1 Gallon	5
Camellia sasanqua 'Glen St. Marys'	Sasanqua camellia	Pink, formal double large flowers. Evergreen shrub, blooms in fall.	Shade	Shrub		3 gallon	5
Camellia sasanqua 'Leslie Ann'	Sasanqua camellia	White petals with bright pink rim. Semi double flowers. Evergreen shrub that blooms in fall.	Shade	Shrub		3 gallon	3
Camellia sasanqua 'Otome'	Sasanqua camellia	Pink formal double small flowers. Evergreen shrub that blooms in mid fall.	Shade	Shrub		1 Gallon	5
Camellia transnokoensis	camellia	Species camellia with profuse small flowers. White with a red spot on outermost petals. Blooms spring.	Shade	Shrub		1 Gallon	5
Camellia x williamsii 'Anticipation'	Japanese hybrid camellia	Orchid pink, rose double medium sized flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5
Camellia x williamsii 'Jury's Yellow'	Japanese hybrid camellia	Cream to pale yellow anemone type medium flowers. Evergreen shrub that blooms in winter to spring.	Shade	Shrub		1 Gallon	5

2023 Fall Plant Sale List for Members

Scientific Name	Common Name	Description	Light	Type	Subtype	Size	Number Availat
Edgeworthia chrysantha	paperbush	A woody shrub that grows 5-8' high and wide. Grows best in partial shade in woodland or cultivated soil. Truly a unique plant from China that bears white fuzzy flower buds in the winter that open to butter yellow very fragrant flowers during late winter. Zones 6-8. Deer resistant.	Shade	Shrub		3 gallon	20
Edgeworthia chrysantha	paperbush	A woody shrub that grows 5-8' high and wide. Grows best in partial shade in woodland or cultivated soil. Truly a unique plant from China that bears white fuzzy flower buds in the winter that open to butter yellow very fragrant flowers during late winter. Zones 6-8. Deer resistant.	Shade	Shrub		7 gallon	6
Edgeworthia chrysantha 'Winter Gold'	paperbush	An exciting winter blooming shrub with gold and white flower umbels in February. The flowers bloom on bare stems, and for extra star power have an amazing sweet fragrance. Grows 6 to 8 feet tall in part shade. Zones7-10.	Shade	Shrub		3 gallon	10
Gardenia 'Silver Lining'	gardenia		Shade	Shrub		3 gallon	5
Hydrangea 'Incrediball'	hydrangea		Shade	Shrub		3 gallon	3
Hydrangea macrophylla Kimono	bigleaf hydrangea		Shade	Shrub		3 gallon	3
Hydrangea quercifolia	oakleaf hydrangea	Upright, deciduous suckering shrub native to the south eastern US does well in full sun to part shade. Huge oakleaf shaped leaves add broad texture to the garden, large pyramidal panicles of white flowers in summer, exfoliating bark, and excellent fall color make this a year-around attraction. 6-8' tall and wide. Zones 5-9.	Shade	Shrub	Native	3 gallon	4
Hydrangea quercifolia 'Pee Wee'	dwarf oakleaf hydrangea	Maxxing out at 4 feet tall, this cultivar of oakleaf hydrangea is a great native shrub. Panicles of white flowers start blooming in early summer and remain showy on the shrub, turning pink with age. Part shade. Zones5-9.	Shade	Shrub	Native	3 gallon	5
Hydrangea quercifolia 'Sikes Dwarf'	dwarf oakleaf hydrangea	Dwarf, mounding deciduous shrub maturing at 2-3' tall and 3-4' wide with large oakleaf shaped leaves, pyramidal panicles of white flowers in summer, exfoliating bark, and excellent fall color. Flowers emerge white, fade to light pink, and turn brown by late summer offering great winter interest. Part sun to full shade. Zones 5-9.	Shade	Shrub	Native	3 gallon	5
Illicium floridanum 'Pink Frost'	Florida anise	Vigorous evergreen native shrub that's a great choice for wet, shady spots. In winter, the foliage of 'Pink Frost' turns a rosy shade. The leaves are licorice scented, and deer don't like it. Grows 6 to 10 feet tall; Zones7-9.	Shade	Shrub	Native	3 gallon	4
Illicium parviflorum 'Florida Sunshine'	Yellow anisetree	A smaller selection of a native shrub with bright chartreuse leaves that become even more yellow in the fall. Red stems make for a great contrast with the foliage in winter. Part shade; Zones6-9; slow growing up to 6 feet tall; evergreen.	Shade	Shrub	Native	3 gallon	8
Illicium 'Woodland Ruby'	hybrid anise tree	Hybrid between Ilex floridanum 'Alba' and I. mexicanum. Evergreen shrub, deer resistant.	Shade	Shrub	Native	3 gallon	4
Agastache 'Little Adder'	hyssop		Sun	Perennial		Quart	12
Agastache 'Purple Haze'	giant hyssop		Sun	Perennial		1 Gallon	6
Allium 'Millenium'	Ornamental onion	This perennial forms a compact, upright clump of strappy glossy green leaves that smell of onion when crushed. In summer, bright purple round flowers bloom on strong stems. Full sun, attracts pollinators and is deer and rabbit resistant—what more could you ask for!	Sun	Perennial		1 Gallon	12
Allium 'Millenium'	Ornamental onion	This perennial forms a compact, upright clump of strappy glossy green leaves that smell of onion when crushed. In summer, bright purple round flowers bloom on strong stems. Full sun, attracts pollinators and is deer and rabbit resistant—what more could you ask for!	Sun	Perennial		Quart	24
Amsonia 'Butterscotch'	amsonia		Sun	Perennial	Native	1 Gallon	12
Amsonia hubrichtii	Arkansas Bluestar	Native perennial with the coolest whorled foliage. Blooms in late spring with blue star-like flowers held in clusters at the terminals of the stems. Best grown in full sun and average to dry soils. Foliage is extremely fine textured and billowy and turns a beautiful yellow in fall. Native to Arkansas. Zones 5-8. Deer resistant.	Sun	Perennial	Native	Quart	12
Amsonia hubrichtii 'String Theory'	blue star		Sun	Perennial	Native	1 Gallon	12

2023 Fall Plant Sale List for Members

Scientific Name	Common Name	Description	Light	Type	Subtype	Size	Number Availat
Anemone hupehensis 'Prinz Heinrich'	Japanese anemone	(Sometimes sold as 'Prince Henry') Spreading perennial with 2' tall semi-double pink flowers in late summer to early fall. Zones 4-8; sun to part shade, moderate moisture.	Sun	Perennial		1 Gallon	18
Anemone 'Pretty Lady Diana'	windflower		Sun	Perennial		Quart	12
Anemone 'Pretty Lady Julia'	windflower		Sun	Perennial		1 Gallon	6
Anemone 'Pretty Lady Maria'	windflower		Sun	Perennial		1 Gallon	6
Anemone 'September Charm'	windflower		Sun	Perennial		Quart	12
Anemone 'Snow Angel'	anemone		Sun	Perennial		1 Gallon	12
Anemone x hybrida 'Honorine Jobert'	windflower	This garden hybrid, discovered in France in 1858, is a classic for a reason. A vigorous anemone reaching 3-4' high when flowering. Tall scapes of 2" wide white flowers bloom late summer through early fall. Plant in full sun to light shade in average to good garden soils. A showstopper for fall in the perennial border. Zones 4-8.	Sun	Perennial		Quart	24
Asclepias incarnata 'Soulmate'	swamp milkweed		Sun	Perennial	Native	2.5"	32
Asclepias tuberosa	butterfly milkweed	A compact, deciduous, native perennial. Often seen along hot, dry roadsides across the southeastern US. In summer, terminal stems are adorned with bright orange flowers. Highly attractive to pollinators and is host for monarchs. 18-24" high and wide. Loves full sun and thrives in poor to normal soils. Zones 4-8. Deer resistant.	Sun	Perennial	Native	Quart	42
Asclepias verticillata	whorled milkweed		Sun	Perennial	Native	1 Gallon	6
Aster tataricus 'Jin Dai'	Tatarian aster	A perennial 3-4' tall that's covered in light purple flowers in the fall. Attracts bees and butterflies Can spread into a broad colony in the garden. Full sun to part shade, Zones4-8.	Sun	Perennial		1 Gallon	18
Baptisia australis	False Indigo	One of our great native perennials. Grows 3' high and 2-3' wide in full sun. Erect indigo blue flowers in late spring rise above the light blue-green foliage. Plant in well drained to slightly dry soil. Great in the middle of full sun borders. Zones 3-9	Sun	Perennial	Native	Quart	12
Blephilia ciliata	Ohio horsemint		Sun	Perennial	Native	Quart	12
Campanula 'Sarastro'	bellflower		Sun	Perennial		Quart	12
Carex 'Feather Falls'	sedge		Sun	Perennial		Quart	12
Delosperma 'Moonstone'	iceplant		Sun	Perennial		Quart	12
Echinacea pallida	pale purple coneflower		Sun	Perennial	Native	1 Gallon	12
Echinacea 'Powwow Wild Berry'	coneflower		Sun	Perennial	Native	Quart	12
Echinacea 'Prairie Splendor'	coneflower		Sun	Perennial	Native	1 Gallon	6
Echinacea purpurea	Coneflower	Native perennial with long purple petals and cone shaped centers. Excellent for pollinators and birds. Full sun. Drought tolerant.	Sun	Perennial	Native, pollinator	Quart	12
Echinacea 'Sangrita'	coneflower		Sun	Perennial	Native	Quart	12
Eryngium planum	sea holly	A spiky leaved perennial that develops dusty blue flowers on 2-3' branching stems emerge from a clump of basal leaves in summer. Great choice for a dry full sun garden. Zones 5-9. Deer resistant.	Sun	Perennial		1 Gallon	40
Eucomis 'Oakhurst'	pineapple lily	Burgundy-purple strap shaped leaves alone on this stunning plant would be enough - but they also have stunning "pineapple" flower heads in summer! Good in a well drained spot in the garden or in a container. The flowers last well as a cut flower, too!	Sun	Perennial		1 Gallon	42
Eupatorium 'Baby Joe'	Joe Pye weed		Sun	Perennial	Native	Quart	24
Eupatorium coelestinum 'Cori'	blue mistflower	More compact form than the species with lighter blue flowers	Sun	Perennial	Native	1 Gallon	6
Euphorbia 'Ascot Rainbow'	spurge		Sun	Perennial		Quart	12
Euphorbia 'Miner's Merlot'	spurge		Sun	Perennial		1 Gallon	12
Euphorbia robbiae	spurge		Sun	Perennial		Quart	12
Gaura 'Belleza Dark Pink'	gaura		Sun	Perennial		Quart	12
Hedychium 'Daniel Weeks'	ginger lily	Hybrid ginger lily with golden yellow fragrant flowers mid summer. Tropical foliage grows over 4 feet tall and upright. A hardy perennial. Spreads to form a 3 to 4 foot wide clump. Full sun. Zones7-10.	Sun	Perennial		3 gallon	8
Hedychium x moorei 'Kewense'	ginger lily		Sun	Perennial		2 gallon	4

Scientific Name	Common Name	Description	Light	Type	Subtype	Size	Number Availat
Hibiscus grandiflorus	swamp rose mallow	One of the largest native southeastern U.S. hibiscus species, swamp rose mallow is a favorite of both gardeners and pollinators. Its silky silvery leaves are complimented by huge pale pink flowers in summer. Flowers can be up to ten inches across. This species grows naturally in ditches, pond and river edges, so plant it somewhere it will get plenty of water. It will tolerate wet soils and grows 6 to 10 feet in full sun.	Sun	Perennial	Native	2 gallon	12
Hibiscus 'Midnight Marvel'	hibiscus	Large scarlet red flowers atop dark foliage. Noted for a long bloom time as flowers are indeterminate. Native; full sun; 4' tall and wide; attracts pollinators; zones 4-9.	Sun	Perennial	Native	1 Gallon	16
Hylotelephium 'Autumn Fire'	Sedum	Drought tolerant perennial forms upright clumps 15 to 18 inches tall. Masses of rose pink flowers have a long bloom time from late summer through fall. Attracts pollinators. Plant in full sun and well drained soil. Zones 3-9.	Sun	Perennial	Pollinator	Quart	15
Iris sibirica 'Jewelled Crown'	Siberian iris		Sun	Perennial		1 Gallon	12
Iris virginiana 'Contraband Girl'	southern blue flag		Sun	Perennial	Native	1 Gallon	12
Iris x robusta 'Gerald Darby'	Blue flag iris	Tall 36", narrow strap-like foliage is green tipped becoming purple at the base, topped in spikes of 3" violet-blue flowers in spring-summer. Grown for foliage and flowers. Full sun to part shade, moist soil to marginal water plant. Zones 3-9.	Sun	Perennial		1 Gallon	8
Isodon rubescens	rabdosia	A rarely grown mint relative from China, where it's used in traditional Chinese medicine. It's pretty enough to grow for ornamental purposes, too. Small purplish flowers bloom all the way from late summer into fall.	Sun	Perennial		1 Gallon	15
Kniphofia 'Royal Castle'	red hot poker		Sun	Perennial		1 Gallon	8
Mazus reptans 'Alba'	mazus		Sun	Perennial	Groundcover	3"	18
Monarda bartlettii 'Puerto Purification'	Bartlett's bee balm	A mildew resistant species from Mexico with lavender flowers in June and July. It doesn't spread quite as much as other bee balms. Grows to 4' tall in full sun. Zones 7-9.	Sun	Perennial		1 Gallon	30
Muhlenbergia capillaris	muhly grass		Sun	Perennial	Native	1 Gallon	36
Nepeta 'Chartreuse on the Loose'	golden catmint		Sun	Perennial		1 Gallon	12
Nepeta 'Prelude Purple'	catmint		Sun	Perennial		Quart	12
Origanum vulgare 'Aureum'	golden oregano		Sun	Perennial		3"	18
Penstemon 'Dark Towers'	Beardtongue	Hybrid native perennial with dark red leaves and masses of light pink flowers in summer. Easy to grow, it tolerates high heat, humidity and drought when established. Reaches 36 inches in full bloom and attracts pollinators. Full sun, zone 3-8.	Sun	Perennial	Native	Quart	12
Rostrinucula dependens	weeping buddleia	Mounding deciduous sub shrub from China. Small pinkish lavender flowers bloom on weeping racemes in late summer to fall. The long arching flower clusters are striking and resemble butterfly bush, or buddleia, hence the common name. Grows 3 to 6 feet tall and has green leaves with gray undersides. Full sun; medium water. Zones 7-10.	Sun	Perennial		1 Gallon	11
Rudbeckia 'American Gold Rush'	black eyed Susan		Sun	Perennial	Native	Quart	12
Rudbeckia subtomentosa 'Little Henry'	sweet coneflower	The standout quill-like flowers of 'Henry Eilers' but half the size. Large yellow flowers bloom on stems that max out at 36 inches. Native, great for summer blooms and attracts pollinators. Zones 4-8.	Sun	Perennial	Native	1 Gallon	8
Scabiosa 'Butterfly Blue'	pincushion flower		Sun	Perennial		Quart	12
Schizachyrium scoparium 'Standing Ovation'	little bluestem		Sun	Perennial	Native	1 Gallon	6
Sedum 'Autumn Joy'	sedum	Clumping foliage topped with large, flattened flower clusters that start pink in late summer and age to rusty red in the fall. A great low maintenance perennial for full sun; zone 4-11.	Sun	Perennial		Quart	12
Sedum 'Angelina'	sedum		Sun	Perennial		Quart	12
Sedum 'Firecracker'	sedum		Sun	Perennial		Quart	12
Sedum 'Lemon Ball'	sedum		Sun	Perennial		Quart	12
Sempervivum 'Black'	hen and chicks		Sun	Perennial		Quart	12
Silene caroliniana 'Short and Sweet'	Wild Pink	Low growing native wildflower with clusters of rose pink flowers in spring. Clumping habit of narrow leaves 6 to 12" tall. A good source of nectar for early pollinators. Full sun to part shade. Zones 5-8.	Sun	Perennial	Native	Quart	40

2023 Fall Plant Sale List for Members

Scientific Name	Common Name	Description	Light	Type	Subtype	Size	Number Availat
<i>Sisyrinchium angustifolium</i> 'Blue Note'	blue eyed grass	Violet blue flowers bloom in late spring to early summer on a grassy-looking clump of leaves. Native perennial is a compact form just 12-18 tall. Zones 4-9; part to full sun.	Sun	Perennial	Native	3"	24

It forms an evergreen groundcover to 6-12" and spikes of lavender to pink flowers emerge in the early summer. Plant in full sun and average soils; drought tolerant once established. Deer resistant. (syn. 'Helen von Stein'). Zones 4-9.	Sun	Perennial		Quart	12
<i>Stachys officinalis</i> 'Rich Pink'	betony		Sun	Perennial		3"	32
<i>Stachys officinalis</i> 'Rosea'	betony	A perennial that grows 12 to 24 inches high and wide. Attractive dense foliage with tufted spikes of light pink flowers in summer. Grow in full sun to light sun in well drained soil. Zones 7-9.	Sun	Perennial		Quart	15
<i>Stokesia</i> 'Divinity'	Stokes' aster		Sun	Perennial		1 Gallon	12
<i>Symphotrichum ericoides</i> 'Snow Flurry'	heath aster		Sun	Perennial		1 Gallon	12
<i>Symphotrichum novi-belgii</i> 'Patricia Ballard'	New York aster		Sun	Perennial	Native	1 Gallon	12
<i>Symphotrichum oblongifolium</i>	aromatic aster	Easy to grow native perennial absolutely covered with violet-blue daisy like flowers in mid to late fall. Grow in full sun and well drained soil. A wonderful pollinator plant, especially for a late season food source for butterflies. 2 to 3 feet tall and wide. Zones3-8.	Sun	Perennial	Native	1 Gallon	12
<i>Thalictrum</i> 'Nimbus Pink'	meadow rue		Sun	Perennial		Quart	24
<i>Thalictrum</i> 'Nimbus White'	meadow rue		Sun	Perennial		Quart	12
<i>Tradescantia</i> 'Pale Puma'	Purple Heart	A hybrid of <i>Tradescantia pallida</i> x <i>sillamontana</i> with distinctive purple leaves. This perennial forms a mound a foot tall in sun to part sun. In more sun, the leaves are a deeper purple. Easy to grow and deer resistant; zones 7-10.	Sun	Perennial		Quart	30
<i>Verbena bonariensis</i> 'Lollipop'	purple vervain	Compact cultivar just 1-2' tall and wide. Rounded habit and abundant purple flowers	Sun	Perennial		Quart	12
<i>Vernonia</i> 'Southern Cross'	ironweed	Hybrid ironweed whose parentage includes <i>V. lettermanii</i> . Does not spread from seed as much as other ironweeds. 3 feet tall and covered in purple flowers late summer. Zones 4-9.	Sun	Perennial	Native	Quart	24
<i>Viola cornuta</i> 'Sky Blue'	violet		Sun	Perennial		Quart	12
<i>Yucca filamentosa</i> 'Color Guard'	Adam's needle	Low maintenance native perennial with stunning brightly colored strap like foliage. In summer, strong flower stalks with white flowers grow 3 to 4 feet tall. Full sun. Zones 4-10. Deer resistant.	Sun	Perennial	Native	2 gallon	10
<i>Yucca filamentosa</i> 'Excalibur'	Adam's needle		Sun	Perennial	Native	1 Gallon	12
<i>Abelia</i> 'Kaleidoscope'	abelia		Sun	Shrub		3 gallon	6
<i>Callicarpa dichotoma</i> 'Issai'	beautyberry	Deciduous shrub with clusters of bright purple berries in the fall. This cultivar has prolific fruit set and is a favorite of birds. 3 to 4 feet tall in sun to part shade. Zones5-8.	Sun	Shrub		3 gallon	10
<i>Chamaecyparis</i> 'Lemon Yellow'	Japanese falsecypress		Sun	Shrub		3 gallon	3
<i>Chamaecyparis obtusa</i> 'Spirited'	Hinoki cypress	A one of a kind golden dwarf conifer, a form selected by Duke Gardens' curator Paul Jones. 'Spirited' has a pyramidal habit that grows to 6-8' high and wide. The slightly twisted golden foliage looks best when grown in full sun as a specimen in the garden. Zones 4-8. Deer resistant.	Sun	Shrub		3 gallon	5
<i>Clethra alnifolia</i> 'Novacleein' Summer Sparkler	summersweet	Native shrub with sweet scented white racemes of flowers in summer. Compact form 3 to 4' tall and wide.	Sun	Shrub	Native	3 gallon	5
<i>Cornus stolonifera</i> Arctic Fire®	Red osier dogwood	Beautiful red stems, great winter interest plant; small selection 3-5' tall	Sun	Shrub	Native	3 gallon	10
<i>Cotinus coggygria</i>	purple smoke bush		Sun	Shrub		3 gallon	4
<i>Fothergilla</i> 'Mt. Airy'	Fothergilla		Sun	Shrub	Native	3 gallon	6
<i>Hamamelis</i> 'Diane'	witch hazel		Sun	Shrub		3 gallon	4
<i>Hydrangea paniculata</i> 'Renhy' Vanilla Strawberry™	panicle hydrangea	Large football shaped white flowers in summer that age to pink or strawberry red.	Sun	Shrub		3 gallon	5
<i>Ilex crenata</i> 'Sky Pencil'	Japanese holly	Evergreen shrub with a columnar upright habit, like a pencil reaching for the sky. It grows 6 to 8 feet tall but just 1 to 2 feet wide. Full sun. Zones5-8.	Sun	Shrub		3 gallon	5
<i>Ilex verticillata</i> 'Winter Red'	winterberry holly	Covered with abundant bright-red berries that hold their color well from late fall to winter. Native deciduous shrub. Full sun to part shade, medium to wet soils.	Sun	Shrub	Native	3 gallon	8
<i>Myrica pennsylvanica</i>	bayberry		Sun	Shrub	Native	1 Gallon	6
