Heat Advisory! Plan ahead before you arrive.

- Bring a water bottle with you to the Gardens and refill it at one of our water fountains shown on this map.
- Wear light-colored and loose-fitting clothing made with a natural fiber to help you stay cool.
- Wear a hat or use a parasol at all times to protect your skin from the sun.
- Take breaks & rest at one of our many benches throughout the Gardens. Orient yourself toward shady spots. The Blomquist Garden (gray on the map) and the Asiatic Arboretum (pink) are two of the shadiest areas in the Gardens.
